# DRINK MENU

## SIGNATURE COCKTAILS

### Blackberry Pisco Sour 8

Fresh blackberry preserves, Pisco Porton, house made lemon sour, orange bitters. A play on the classic pisco, egg white on request. Tart to start, but sweet on the finish.

### Hopslinger 8

Got gin? You should. St. Augustine Gin, citrus, luxardo syrup and simple sugar, cherry bitters, Grand Marnier and a splash of soda. Exactly what the doctor ordered, if the doctor ordered gin.

### Blueberry Maple Smash 7

Warm up with Old Forrester Bourbon, orange liqueur, fresh pressed blueberries and a whisper of maple. It's everything you've ever wanted in a bourbon cocktail...primarily lots of bourbon!

### Tully Cooler 7

If you like your Irish, this is the perfect cooler for a hot day. Fresh pineapple pressed with a hint of mint, some lemon and Tullamore Dew. Shaken and served tall with just a whisper of ginger beer.

### Blood, Sand, & Tears 10

Scotch scotch scotch. I love scotch. You'll love it too in this spin on the classic Blood and Sand. Fresh blood orange juice, Monkey Shoulder Scotch, Carpano Antica and Grand Marnier. Give it a try.

### Chartreuse #5 10

For when you're really looking to change the direction of your evening. Green Chartreuse, Grand Marnier and Tippler's. A solid wingman is a prerequisite.

### Damn Good Margarita 7

What's better than a damn good margarita? Not much. Maestro Dobel tequila highlights this classic cocktail. Rimmed with our house spicy smoked salt blend.

### Peach-a-rita 7

We take some peaches. We roast them. We muddle them. We beat them up. We add a liberal pour of Milagro tequila, a bit of Cointreau and a bit of lemon juice and honey. Strong, just a bit tart and refreshing. Like smoke? Try it with Mezcal.

### Spiced Apple Mojito 8

Start with your classic mojito, kick it up a notch with Bacardi 8 Year, our house made cinnamon simple and with fresh pressed apples and lime. It'll scratch that itch called sobriety.

## BIER COCKTAILS

What happens when you take a great cocktail and add beer? Magic. Pure, simple magic. Try one of these kicked up beer drinks and see where the night goes.

### Cat's Tail 7

Catdaddy Moonshine, citrus, cinnamon syrup and pressed apples married with Sea Dog Sunfish Ale. One or two of these and you'll have 9 lives. Minus 8. You have one life.

### Right on Time 7

3 Olives Citrus, grapefruit, honey and our house made sour topped with Cigar City Jai Alai IPA. Right on time, indeed!

### Weiss Collins 8

A gin sour with St. Augustine Gin, orange blossom honey and a float of hefeweizen.

### Sailor's Keg 9
